Dear Broadcast Professional:

The Rocky Mountain Southwest Chapter of the National Academy of Television Arts and Sciences is accepting nominations for its Governor's Award. This is the highest award our chapter gives to a unique individual, organization or station.

The Board of Governors will review all entries, and should it believe that one or several of the nominees meet the stringent criteria, a selection will be made. The Emmy statuette will be presented at the Rocky Mountain Emmy Awards on October 4, 2008. Past recipients have ranged from technical innovations to public service programs. We are seeking examples of excellence in broadcasting *beyond* those normally found in individual craft areas or individual programs.

The Board of Governors appreciates your assistance in our search and invites you to nominate a deserving individual, organization or station for their outstanding broadcasting efforts in the Rocky Mountain Region.

Please submit your entry by **September 5, 2008**. Enclosed is a nomination form or you may access forms online at www.rockymountainemmy.org - if you have any questions, please contact me at 623-935-9637.

The Board looks forward to receiving your nominations for this award of excellence and achievement.

Sincerely,

Patricia C. Emmert, Executive Director
Rocky Mountain Southwest Chapter
